### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Bullock on 9/24/4.

The application has been amended as follows:

In claim 1, line 10, after "second position", the following text has been inserted ---a shield member joined to and extending from said support portion, said shield member being in facing relationship with said support portion, and said indicator arm being disposed between said support portion and said shield portion---

In claim 7, line 10, after "flap", the following text has been inserted --- a shield member joined to and extending from said support portion, said shield member being in facing relationship with said support portion, and said indicator arm being disposed between said support portion and said shield portion---

Claims 3 & 10 have been ---cancelled---

In claims 5, 6, 8, 12, 16-18, line 1, the following status indicators have been inserted: --(Original)---

In claim 13, line 3, "mrder" has been replaced with ---marker---

2. The following is an examiner's statement of reasons for allowance:

With reference to claim 1, 5, & 6, the prior art of record does not disclose or clearly suggest a file marker device for a folder comprising a front flap having a first top edge, a rear flap connected to the front flap by a folder bottom, the rear flap having a second top edge, the

folder comprising a plurality of equally spaced parallel slots near at least a first or second top edge, the device comprising said indicator arm being disposed between said support portion and said shield portion.

With reference to claim 7-9 & 12, the prior art of record does not disclose or clearly suggest a file marker device for a folder comprising a front flap having a first top edge, a rear flap connected to the front flap by a folder bottom, the rear flap having a second top edge, the device comprising said indicator arm being disposed between said support portion and said shield portion.

With reference to claims 13, 14, 16-18, & 20, the prior art of record does not disclose or clearly suggest a file marker device for a folder comprising a front flap having a first top edge, a rear flap connected to the front flap by a folder bottom, the rear flap having a second top edge, the file marker device comprising an elongated indicator arm disposed interiorly of said U-shaped member, in combination with the remaining limitations in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
